

Becoming an Investor-Ready Entrepreneur

From the Mind of the Investor™ Series

What Entrepreneurs Say

- ✪ *"This was one of the best 1-day seminars I have attended. I learned more about the equity investment process, procedures, what is truly valued and expected in one day than I have in several months stumbling through the process."*
- ✪ *"The format was appropriate and the expert panel was exceptional. It's certainly worth the time and money."*
- ✪ *"I wanted to let you know that I personally loved the course the other day. I have been to many Merger-Acquisition Courses and Forums etc. But, your guest panel was amazing and very interesting. I felt that every time [they] spoke they were giving it to us straight and not just the textbook response. You made it fun. That's not easy, especially when everyone in the room is hoping that you are going to give them the magical key to their success."*
- ✪ *"Thanks so much for the seminar - it was incredibly valuable and inspiring, if not a little intimidating."*
- ✪ *"Great job on the program, really enjoyed it and it was helpful to me in that all through the day our discussion kept reminding me of things I needed to be doing with regards to our fund raising and overall project execution. It also sparked a healthy total (company) project review upon my return to the office, as I reviewed much of the course's content to my partners. Again, thanks and great job."*
- ✪ *"This course is a must! It is an excellent checklist to ensure the entrepreneur is doing all the right things."*
- ✪ *This was the most tangibly useful conference I have attended in a long time.*
- ✪ *-One of the best training programs ever! Thank you!*
- ✪ *Incredibly well done, organized, informative and fun! Just this side of too much information. I'd love to attend again.*
